

Performance report

30/11/2018

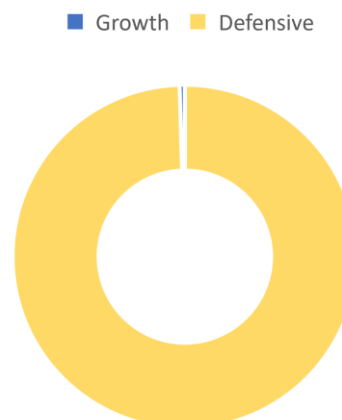

Dear Investor:

We are excited to release our November performance report. In this month we have witnessed the plummet of Bitcoin and we can tell more and more speculator started to leave the market. Benefited from the surge of trading volume caused by the price change, we continue delivered stable income for all investors again. In this month, Golden Alpha has made gross return of 2.22% and 1.53% after all the fee. According to our statistics, the accumulative gross return of Golden Alpha has reached 9.57% since commencement and the net return is 6.67%.
